

CONFERENCE DAY 2020

27.02.2020

12 p.m. - 8 p.m.

We know that working with our families is key for the success of our students. We believe that it is important that both the family and school share a strong understanding of our students, and students have the opportunity to play the lead role in their own education. We invite you to our conference day where you will have the opportunity to meet with your child's teacher, discuss learning needs and aspirations, and make plans to ensure success in 2020.
